County Board President Fatima Alleyne,
County Superintendent Karen Sakata,
Trustee Christine Deane
Trustee Vikki Chavez
Trustee Mike Maxwell
Trustee Jeff Belle

We are a group of community members who strongly oppose the West Contra Costa Unified School Board's decision to recommend the Cities and Schools B trustee area map. During the Special County Board Meeting to be held on July 24th, we hope to present our arguments against the Cities and Schools B map and for the June 4th map.

Since the board's decision at the June 27th school board meeting, we've organized over 400 signatures from residents of the school district opposing the Cities and Schools B map and supporting the June 4th map.

We strongly encourage the County Board to vote for the June 4th map, and we look forward to presenting the full list of signatures and community support that the June 4th map has.

We look forward to the Board meeting,

The Community of West Contra Costa
