School Description

Mission: The mission of Golden Gate Community School is to ensure academic improvement and successful transition to their district or college/career while promoting pro-social skills.

Golden Gate Community School is a WASC accredited alternative education program serving the educational needs of students who have primarily been referred from their home districts. The school's main purpose is to prepare the students to return to their home districts, graduate, or transfer to a local Community College or Career. All GGCS courses taken and credits earned are transferable to both high schools or community colleges.

Golden Gate Community School offers a total of five sites. Classes are located in Martinez (1 class), Rodeo (1 class), Brentwood (2 classes), and Pittsburg (2 classes). Golden Gate also offers an Independent Study Program for both secondary students as well as adults 18+ years old at all of the above sites. We have four Independent Study teachers and students can attend class as late as 5:00 pm. Regular school hours are 8:00 to 1:00 pm, with a minimum of 4 hours and 15 instructional minutes per day.

Students are referred to GGCS for the following reasons:

1. Parent/Guardian/Student Choice.
2. District students whose needs have been reviewed by the district's School Attendance Review Board (SARB).
3. District expelled students who may no longer attend district schools.
4. Students who dropped out of school after age 18.

If a student was placed at Golden Gate Community School by their respective districts, they can transition back to their appropriate educational setting upon completion of their contractual requirements. Students may choose to remain and complete all requirements in order to graduate with GGCS if they complete the required 200 credits. The GGCS is student-centered and adapts to meet students' individual needs.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials			
Golden Gate Community Schools	16-17	17-18	18-19
With Full Credential	5	8	8
Without Full Credential	1	0	0
Teaching Outside Subject Area of Competence	0	2	3
Golden Gate Community Schools	16-17	17-18	18-19
With Full Credential	♦	♦	56
Without Full Credential	♦	♦	10
Teaching Outside Subject Area of Competence	♦	♦	4

Teacher Misassignments and Vacant Teacher Positions at this School			
Golden Gate Community	16-17	17-18	18-19
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The textbooks and instructional materials for the Community Schools are adopted and approved by the local Board. Every student, including English Learners, within these programs has access to the adopted textbooks for use both in the classroom.

In addition to core adopted textbooks, teachers also use supplemental and remedial instructional materials to address the specific needs of students and to accommodate their various instructional levels. All students have access to the instructional materials they need.

Big Ideas was adopted as our Math curriculum in 2017.

Reading with Relevance was adopted as our ELA curriculum in Fall 2018.

Odyssey Ware is used in the Social Studies and Science disciplines as our A-G aligned curriculum.

In addition, teachers in Science and Social Studies have been participating in multiple training opportunities to become familiar with the NGSS and History/Social Studies Framework. Teachers are teaching to the new standards drawing from the previously adopted materials as curricula aligned to the new standards are not yet available for these subjects.

Textbooks and Instructional Materials	
Year and month in which data were collected: September 2019	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption

School Facility Conditions and Planned Improvements (Most Recent Year)

The Contra Costa County Office of Education (CCCOE) established the Golden Gate Community School in 1987. The Golden Gate Community School has four sites including: Martinez with one building and one classroom; Rodeo with one building and one classroom; Joseph Ovick School site in Brentwood with two classes and one Independent Study class; Pittsburg site with two classrooms and an independent study class. The FIT Reports below are separated by sites.

While on school sites, students are under direct supervision from both classified and certificated personnel. Students may be early released only to authorized adults who are required to identify themselves and sign out the student in the main office.

Access to the school site is restricted, requiring all visitors to check in for clearance and registration. All facilities and grounds are observed and monitored for unauthorized visitors who are reported to the main office for appropriate action. Volunteers are required to be interviewed and approved by site administration and to register with the central office Human Resources Department and receive TB clearance. All regular personnel are provided with picture I.D. badges for their use.

The site is regularly cleaned and maintained by custodial staff. Facilities maintenance is ongoing and coordinated with the site principal through the Central Office facilities department. More intensive cleaning and maintenance occurs during student break/vacation periods in order to minimize impact to learning environment. Emergency repairs are typically handled in a timely manner. Specialized equipment is accessible for use by students with special needs. Work space and break/lounge areas for staff have been designated.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 12-26-19		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	MARTINEZ SITE:

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

There are a number of opportunities for parents to become involved with the school:

- At the time a student enters GGCCS, the student, parent, and the classroom teacher meet to go over the student’s transcript, and design an Individual Learning Plan. If the student is eligible for special education services, the special education teachers are included in the meeting.
- There are frequent phone calls and meetings, as needed, between the parent/guardian and the teacher.
- Parents have an open invitation to visit our school/classrooms anytime they wish. Occasionally, a parent will be asked to spend a period in a classroom to observe their child 's behavior.
- Parents/guardians are an integral part of the School Site Council and assist in writing the Golden Gate School Site Plan and LCAP.

Parents are invited to school events such as our: awards presentations, school barbecues, pancake breakfasts, field trips and Golden Gate Challenge events, and a Harvest day family meal to coincide with the Thanksgiving holiday.

At the end of each semester, a transition meeting is held for students, the parents, principal, teachers and the local school district representative. The purpose is to review the student’s progress, plan for the next semester, and to determine if the student will return to the local district or continue with GGCCS.

In addition, the school sends quarterly report cards and a newsletter home twice a year to parents. Parent workshops on parenting teens are also offered to parents/guardians yearly.

For organized opportunities for parental involvement at Golden Gate Community School, please contact the administrative office at (925) 427-3199, ext. 5001

in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
7	**	**	**
9	**	**	**

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The following is a brief description of the key elements included in each plan:

- A staff emergency “phone tree”, protocol for emergency contacts.
- Community emergency telephone numbers, specific to each region.
- Emergency teams and duties.
- Staff development and minimum day schedules.
- Safety Committee and Leadership Team composition and members.
- Discrimination and harassment policies and procedure for staff and students.
- Hate crime reporting procedures.
- Procedures for safe ingress and egress of pupils, parents and school employees to and from school.
- Uniform complaint procedures for parents.
- Vandalism reporting forms and procedures.
- Child abuse laws and reporting forms and procedures.
- “Safe School” initiative information and mission statement.
- Crisis response checklist.
- Safety inspection classroom checklist.
- List of disaster/first aid supplies in classrooms.
- Policies pursuant to student suspension and expulsion.
- Rules and procedures on school discipline.
- Procedures for staff notification of “intruder on campus.”
- Dress code policies and enforcement.
- Disaster procedures and drills protocol.
- School site maps and plans.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty in Aug 2018.

Suspensions and Expulsions			
School	2015-16	2016-17	2017-18
Suspensions Rate	15.6	11.7	1.3
Expulsions Rate	0.0	0.0	0.0
District	2015-16	2016-17	2017-18
Suspensions Rate	4.5	4.7	4.1
Expulsions Rate	0.0	0.0	0.0
State	2015-16	2016-17	2017-18
Suspensions Rate	3.7	3.7	3.5
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	0
Counselor (Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0
Psychologist	0
Social Worker	1
Nurse	0
Speech/Language/Hearing Specialist	0
Resource Specialist (non-teaching)	1
Other	0
Average Number of Students per Staff Member	
Academic Counselor	0

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Professional Development provided for Teachers

Certificated staff receive three full days of staff development and classified receive one full day of staff development under the California Department of Education's Instructional Time and Staff Development Reform Program. Content includes instructional methods, classroom management, and training designed to improve academic instruction in the core curriculum.

The CCCOE provides nineteen half-days of staff development related to instructional methods, classroom management and training to address the core curriculum. The content is a direct reflection of the Special Education Program goals, parent survey feedback, state-mandated test data and staff needs assessments as related to student performance.

The CCCOE offers support to teachers through a variety of programs, as determined by need. The CCCOE/Saint Mary's College Beginning Teacher Support and Assessment (BTSA) Induction program provides a collaborative model of support providing a pathway for teachers to clear their credentials. Intern teachers participate in the Solano/North Bay/Contra Costa Teacher Intern Program, and are generally referred to BTSA once they receive their preliminary credential. Another relatively new teacher support program was created for those teachers who may be new to their assignment. This program is called the New Assignment Mentor Support (NAMS) program and both veteran and new teachers may be eligible. Finally, struggling teachers may be referred to the Peer Assistance Review (PAR) program as a result of an unsatisfactory evaluation. Also, a website has been developed to help all teachers access quality instructional lessons and links to existing exemplary programs. Methods of professional development may include after school workshops individual conferences, peer coaching, classroom visitations, veteran teacher observation and attendance at professional development conferences and meetings.

The primary area of focus for staff development during the 18-19 school year was using data and instructional strategies to differentiate instruction and increase the academic abilities of our students. The Golden Gate Community School partnered with the Curriculum and Instruction Department to have more intensive training in using computers programs more effectively in the classroom (Google Classroom and Edgenuity).

In addition, staff development also focused on improving staff behavior management skills in the classrooms, Arts Integration, effective use of Odysseyware, CBI, and serving special needs students.

FY 2016-17 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	38355	9429	28926	80773
District	◆	◆		
State	◆	◆	\$7,125	
Percent Difference: School Site/District				-1.0
Percent Difference: School Site/ State			116.3	

* Cells with ◆ do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

Golden Gate Community School offers not only offers academics instruction and curriculum, we also offer Social and Emotional Support. as well. We have a full-time Probation Officer that monitors students on probation as well as offers students services when appropriate. We also offer our students college to career counseling/job placement via our Transition Specialists, WIOA, and Workability for our SpEd students. In addition, we have student and family counseling via our school Social Worker/Counselor. GGCS also offers after school tutoring, parenting classes, new mother classes, and a girls' group.

Career Technical Education Participation	
Measure	CTE Program Participation
Number of pupils participating in CTE	4
% of pupils completing a CTE program and earning a high school diploma	0
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	0

Career Technical Education Programs

Golden Gate Community School does not offers CTE courses, but does have students concurrently enrolled in CTE at the local community colleges. This upcoming school year GGCS has a grant to develop a health pathway and part of you YDS salary is covered by this grant to develop opportunities for our students to have exposure to health career opportunities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
