Binder includes a DVD and classroom materials.

**DVD highlights:**

- Seven professionals talk about their careers and why math is important for success on the job.
- Students work the math problems along with the DVD segment.
- Student materials include additional information on the highlighted careers.
- The materials are designed for middle school students.
- Each segment on the DVD can be used as a separate activity and has classroom materials that compliment the corresponding segment.

The cost of the DVD and classroom materials is \$15 per copy.  
(This covers the production and mailing costs.)
