

# Williams Visit Report

**School:** Marsh Elementary

**Visit Date:** September 26, 2007

## Facility Notes:

### *Mechanical Systems:*

Rm. 11 teacher complained heater doesn't work. This is a past problem and the District installed a new unit. Continue to monitor.

### *Structural Damage:*

Concrete/asphalt are lifting (NE of MPR and on the playground near tree) forming trip hazards; egress needs improvement.

### *Electrical:*

Rm. 27 has exposed wiring on the east wall (low voltage)  
Portables 33 & 34 have exposed wiring.
