Gary Agopian, President, and
Antioch USD Board of Trustees
Antioch Unified School District
P. O. Box 768
Antioch, CA 94509-1259

Dear Board President Agopian and Board of Trustees:

I would like to thank the Antioch Unified School District for its cooperation and thoroughness in conducting the required review of instructional materials and facilities for schools identified in the Williams Settlement, for providing the required information within the timelines, and for meeting the compliance requirements of the Williams Settlement Site Visits.

Enclosed is the annual report on the schools identified in the Williams Settlement within your school district for fiscal year 2007-2008. California Education Code section 1240(c)(2)(B) requires that schools identified in the Williams Settlement in our county be visited within the first four weeks of school, that noted areas be reviewed, and that a report be submitted to you and your governing board for inclusion at a regularly scheduled November board meeting.

This report contains the results of the Contra Costa County Office of Education (CCCOE) visits of the following schools:

- Fremont Elementary, September 27, 2007
- Marsh Elementary, September 26, 2007
- Turner Elementary, September 28, 2007
- Antioch Middle, September 26, 2007
- Antioch High, September 25, 2007
- Prospects High, September 27, 2007

I have attached further documentation for your review; however, the following are some highlights from the report:

Instructional Materials:

There were sufficient, district adopted, standards-aligned textbooks or instructional materials visible in all classrooms visited.

School Facilities:

There are no facility conditions that “pose an emergency or urgent threat to the health or safety of pupils or staff.” Attached, however, is a listing of areas the CCCOE Williams Settlement Visitation Team recommended should receive attention in a timely manner.

School Accountability Report Card (SARC):

The schools’ SARC indicated there were no instructional material insufficiencies nor outstanding facility needs.

Teacher Misassignments and Teacher Vacancies:

Based on last year’s report to CCTC, all misassignments were cleared in the 2006-07 school year. Subsequent quarterly reports will include the misassignments and vacancies identified in the current year.

Uniform Complaints:

None were reported to the CCCOE during this time period.

I very much appreciate the support by the Antioch Unified School District’s board of trustees, the district administration, and especially the staff of the schools that were visited so that the directives of the Williams Settlement could be implemented. A common goal for all of us is to ensure that each of our students has the necessary materials to learn, a safe place to study, and qualified teachers. Thank you for the work you have done for the students of your district.

Sincerely,
