

Williams Visit Report

School: Riverview Middle

Visit Date: 9/19/08

Facility Notes:

1. Interior Surfaces:
 - a. Floor repair in Room 207 in process
2. Restrooms:
 - a. Boys' Locker Room has a cracked sink and peeling paint around urinals
3. Playground/School Grounds:
 - a. Roots of mulberry trees pushing up asphalt; trip hazard identified by staff
4. Overall Cleanliness:
 - a. Classrooms inspected were in good repair, restrooms very clean. Custodial staff very strong and reactive to facility's needs. This is evident with the cleanliness of this aged campus. Grounds and landscape very clean. Site staff aware of site conditions.
