

Williams Visit Report

School: Parkside Elementary

Visit Date: 9/30/08

Facility Notes:

1. Windows/Doors/Gates/Fences (in & out)
 - a. Slightly loose windowpanes throughout room the school; in some places the putty is falling out or missing
 - b. Some external doors are missing floor mats leaving a shallow depression— tripping hazard
2. Drinking fountains:
 - a. Drinking fountain on playground near room 20 is leaking to the ground—missing pipe
3. Playground/School Grounds:
 - a. 4th grade playground area has a hole in asphalt a foot in diameter and 4” deep
