Dear Board President Smith and Board of Trustees:

I would like to thank the Antioch Unified School District for its cooperation and thoroughness in conducting the required review of instructional materials and facilities for schools identified in the Williams Settlement, for providing the required information within the timelines, and for meeting the compliance requirements of the Williams Settlement Site Visits.

Enclosed is the annual report on the schools identified in the Williams Settlement within your school district for fiscal year 2010-2011. California Education Code section 1240(c)(2)(B) requires that schools identified in the Williams Settlement in our county be visited within the first four weeks of school, that noted areas be reviewed, and that a report be submitted to you and your governing board for inclusion at a regularly scheduled November board meeting. A complete report on all the Williams visitations in Contra Costa County has also been submitted to the County Board of Education as required by law.

This report contains the results of the Contra Costa County Office of Education (CCCOE) visits of the following schools:

- Carmen Dragon Elementary, August 31, 2010
- Fremont Elementary, August 30, 2010
- Jack London Elementary, August 31, 2010
- Kimball Elementary, August 30, 2010
- Marsh Elementary, August 27, 2010
- Mission Elementary, September 1, 2010
- Sutter Elementary, August 27, 2010
- Turner Elementary, September 1, 2010
- Antioch Middle, September 3, 2010
- Antioch High, September 2, 2010
- Prospects High, August 31, 2010

I have attached further documentation for your review; however, the following are some highlights from the report:

***Instructional Materials:***

There were sufficient, district adopted, standards-aligned textbooks or instructional materials visible in all classrooms visited.

***School Facilities:***

There are no facility conditions that “pose an emergency or urgent threat to the health or safety of pupils or staff.” Attached, however, is a listing of areas the CCCOE Williams Settlement Visitation Team recommended should receive attention in a timely manner.

***School Accountability Report Card (SARC):***

The schools’ SARCs indicated that there were no instructional material insufficiencies, yet a few outstanding facility needs that were slated to be repaired.

***Teacher Misassignments and Teacher Vacancies:***

Based on last year’s report to CCTC, all misassignments were cleared in the 2009-10 school year. Subsequent quarterly reports will include any misassignments and vacancies identified in the current year.

***Uniform Complaints:***

None were reported to the CCCOE during this time period.

I very much appreciate the support of the Antioch Unified School District’s board of trustees, the district administration, and especially the staff of the schools that were visited so that the directives of the Williams Settlement could be implemented. A common goal for all of us is to ensure that each of our students has the necessary materials to learn, a safe place to study, and qualified teachers. Thank you for the work you have done for the students of your district.

Sincerely,
