Dear WASC Visiting Team Members:

I would personally like to welcome the WASC visiting team to Contra Costa County Office Education's Regional Occupational Program (ROP).

Our team has made preparations for you to see firsthand the exceptional program that is offered through our agency. I believe that the WASC review process will be informational and beneficial as you assess the career/technical education that is taking place in our ROP classes throughout Contra Costa County and beyond.

We look forward to receiving your commendations and recommendations.

Please feel welcomed!

Sincerely,

A handwritten signature in blue ink, appearing to read "Joseph A. Ovick", written over a faint, larger version of the same signature.
