

HERITAGE CCCOE SPECIAL EDUCATION PROGRAMS

2008-09 School Accountability Report Card | Published During the 2009-10 School Year

GRADES Infant to age 22
101 American Avenue Brentwood, CA 94513
Phone: (925) 634-3671 Fax: (925) 634-4320

Janet Haun
Principal

Principal's Message

The Heritage CCCOE Special Education programs provide a full range of services designed to meet the needs of severely handicapped students from infancy through age 22. Programs emphasize the integration of students with age-appropriate peers, placement in the least restrictive environment, a comprehensive curriculum for the severely handicapped, and programs to support transition. This special education curriculum for severely handicapped students is based on the core areas identified in the California State Department of Education curriculum frameworks. Leadership and support exist to ensure the quality of all students' instructional programs as well as having facilities that are appropriate and maintained in a safe condition.

The Intensive program serves students in grades 9-12 at a special day class. The program assists students with autism, autistic-like behaviors and intensive behaviors to manage academic, social and functional demands through a variety of approaches within a structured environment. As appropriate, staff provides opportunities for integration with age-appropriate peers, community outings to practice social skills and modifications for academic programming.

The Early Start program is part of the CCCOE and serves infants and toddlers through a home-based and a classroom program. Children, age birth to three, who have vision, hearing, orthopedic problems or other developmental disabilities are the targeted population. The team, consisting of a teacher, speech or occupational therapist, and specialists in vision and hearing assist the family in providing assessments and developing an Individual Family Service Plan.

School Safety

The following is a brief description of the key elements included in each plan:

- A staff emergency "phone tree", protocol for emergency contacts.
- Community emergency telephone numbers, specific to each region.
- Emergency teams and duties.
- Staff development and minimum day schedules.
- Safety Committee and Leadership Team composition and members.
- Assessment of the status of school crime committed on campus.
- Discrimination and harassment policies and procedure for staff and students.
- Hate crime reporting procedures.
- Procedures for safe ingress and egress of pupils, parents and school employees to and from school.
- Uniform complaint procedures for parents.
- Vandalism reporting forms and procedures.
- Child abuse laws and reporting forms and procedures.
- "Safe School" initiative information and mission statement.
- Crisis response checklist.
- Safety inspection classroom checklist.
- List of disaster/first aid supplies in classrooms.
- Policies pursuant to student suspension and expulsion.
- Rules and procedures on school discipline.
- Procedures for staff notification of "intruder on campus."
- Dress code policies and enforcement.
- Disaster procedures and drills protocol.
- School site maps and plans.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty in February 2009.

Contra Costa County Office of Education

Joseph A. Ovick, Ed.D.
Superintendent

Belief Statement

We believe a quality education is the foundation of a thriving democratic society in an everchanging world.

Vision

All learners are reaching their maximum potential.

Core Values

- Respect
- Integrity
- Diversity
- Teamwork
- Ethical Leadership
- Creativity/Innovation
- Advocacy for all learners

Parental Involvement

Parents are always encouraged to become involved in the school program. For more information on how to become involved, contact Julie Duncan at (925) 634-3671, extension 102.

School Facility Good Repair Status

The table below shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition, or poor condition.

School Facility Conditions and Improvements				
Items Inspected	Repair Status			
	Good	Fair	Poor	
Systems: Gas Systems and Pipes, Mechanical Systems (heating, ventilation, and air conditioning), Sewer	✓			
Interior: Interior Surfaces (floors, ceilings, walls, and window casings)	✓			
Cleanliness: Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)	✓			
Electrical: Electrical Systems (interior and exterior)	✓			
Restrooms/Fountains: Restrooms, Sinks/Drinking Fountains (interior and exterior)	✓			
Safety: Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)	✓			
Structural: Structural Condition, Roofs	✓			
External: Windows/Doors/Gates/Fences, Playgrounds/School Grounds	✓			
Overall Summary of Facility Conditions				
	Exemplary	Good	Fair	Poor
Overall Summary	✓			

Note: The most recent school site inspection occurred on June 12, 2009, and the inspection form was most recently completed on June 12, 2009.

School Facilities

At Heritage CCCOE Special Education Programs, there are various sites with the main site built in 2007. There are a total of 14 classrooms for all sites.

All students are under direct staff supervision while in transit to and from school with assistance from transportation personnel. While on school sites, students are under direct supervision from both classified and certificated personnel. Students may be early released only to authorized adults who are required to identify themselves and sign out the student in the main office. Tardy students are required to check in at the main office before going to class with a pass noting their late arrival.

Access to school sites is restricted, requiring all visitors to check in at the main office for clearance and registration. All facilities and grounds are observed and monitored for unauthorized visitors who are reported to the main office for appropriate action. When visitors are approved to be on campus they are given a temporary badge identifying them as a guest. Volunteers are required to be interviewed and approved by site administration and to register with the central office Human Resources Department and receive TB clearance. All regular personnel are provided with picture I.D. badges for their use.

School Facilities

Continued from left

All sites are regularly cleaned and maintained by custodial and gardening staff. Facilities maintenance is ongoing and coordinated with site principals through the central office facilities department. More intensive cleaning and maintenance occurs during student break/vacation periods in order to minimize impact to learning environment. All sites are in good repair and free of adverse conditions detrimental to student learning. The main site facilities range in age from new (built within last five years) to 40 years old. Older facilities have been regularly reconditioned and upgraded with a greater proportion of maintenance funds prioritized for their modernization. Emergency repairs are typically handled in a timely manner.

Adequate and appropriate classroom and playground space is available. Playground areas have been recently upgraded to present level safety codes. Specialized equipment is accessible for use by students with special needs. Work space and break/lounge areas for staff have been designated.

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2009-10 school year, the District budgeted \$271,606 for the Deferred Maintenance Program. This represents one third of the District's general fund budget.

Continued on sidebar

National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., Basic, Proficient, and Advanced) and the participation of students with disabilities and English language learners is reported based on three levels (Identified, Excluded, and Assessed). Detailed information regarding the NAEP results for each grade level, performance level, and participation rate can be found on the NAEP Web page at <http://nces.ed.gov/nationsreportcard/>.

NAEP Reading and Mathematics Results: Grades 4 and 8

This table displays the scale scores and achievement levels on the NAEP for reading (2007) and mathematics (2009) for grades four and eight.

NAEP Reading and Mathematics Results for Grades 4 and 8				
Average Scale Score	Reading 2007		Mathematics 2009	
	Grade 4	Grade 8	Grade 4	Grade 8
State	209	251	232	270
National	220	261	239	282
State Percent at Each Achievement Level	Grade 4	Grade 8	Grade 4	Grade 8
Basic	30%	41%	41%	36%
Proficient	18%	20%	25%	18%
Advanced	5%	2%	5%	5%

NAEP Reading and Mathematics Results: Students with Disabilities and/or English Language Learners by Grades 4 and 8

This table displays the state and national participation rates on the NAEP for reading (2007) and mathematics (2009) for students with disabilities and/or English language learners for grades four and eight.

NAEP Reading and Mathematics Results for Grades 4 and 8				
State Participation Rate	Reading 2007		Mathematics 2009	
	Grade 4	Grade 8	Grade 4	Grade 8
Students with Disabilities	74%	78%	79%	85%
English Language Learners	93%	92%	96%	96%
National Participation Rate	Grade 4	Grade 8	Grade 4	Grade 8
Students with Disabilities	65%	66%	84%	78%
English Language Learners	80%	77%	94%	92%

NAEP Testing Note: Only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. NAEP results reflect state level student performance and is not reflective of either the district or the individual school. Also, comparisons of student performance on the NAEP and student performance on the STAR Program assessments cannot be made because there are key differences between the two testing programs. For example, the two assessments test students in different grade levels and the tests are based on a different set of standards. For more information on the differences between the NAEP and STAR, please visit CDE's NAEP Web page at www.cde.ca.gov/ta/tg/nr/.

STAR Results for All Students: Three-Year Comparison

The Standardized Testing and Reporting (STAR) results are reported as performance levels in order to compare student achievement to state standards. The five performance levels are: **Advanced** (*exceeds state standards*); **Proficient** (*meets state standards*); **Basic**; **Below Basic**; and **Far Below Basic**. Students scoring at the Proficient or Advanced level meet state standards in that content area. The tables below show the percentage of students that scored at Proficient or Advanced levels in English-language arts, mathematics, science, and history-social science.

Percentage of Students Scoring At Proficient or Advanced Levels									
	Heritage CCCOE Special Education Programs			Contra Costa COE			California		
	06-07	07-08	08-09	06-07	07-08	08-09	06-07	07-08	08-09
English-Language Arts	⌘	⌘	73%	10%	27%	33%	43%	46%	50%
Mathematics	⌘	⌘	52%	6%	28%	27%	40%	43%	46%
Science	⌘	⌘	57%	8%	16%	25%	38%	46%	50%
History-Social Science	⌘	⌘	0%	4%	4%	9%	33%	36%	41%

⌘ Heritage CCCOE Special Education Programs first opened in 2008-09 school year. Therefore, there is no data for the school.

STAR Results by Student Group: English-Language Arts, Mathematics, Science, and History-Social Science

Percentage of Students Scoring At Proficient or Advanced Levels				
Group	Spring 2009 Results			
	English-Language Arts	Mathematics	Science	History-Social Science
Male	73%	49%	❖	❖
Female	70%	55%	❖	❖
Economically Disadvantaged	❖	50%	❖	❖
English Learners	❖	❖	❖	❖
Students with Disabilities	73%	52%	57%	❖
Students Receiving Migrant Education Services	❖	❖	❖	❖
African American	81%	62%	❖	❖
American Indian or Alaska Native	❖	❖	❖	❖
Asian	❖	❖	❖	❖
Filipino	❖	❖	❖	❖
Hispanic or Latino	58%	47%	❖	❖
Pacific Islander	❖	❖	❖	❖
White	84%	58%	❖	❖

❖ Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key tests, including the California Standards Test (CST), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). The CSTs are multiple choice tests in English-language arts, mathematics, science, and history-social science for varying grade levels. Some grade levels also participate in an essay writing test.

The CSTs are used to determine students' achievement of the California Academic Content Standards. These standards describe the knowledge and skills that students are expected to learn at each grade level and subject.

The CMA is a modified assessment for students with disabilities who have an individualized education program (IEP). It is designed to assess those students whose disabilities prevent them from achieving grade-level proficiency on an assessment of the content standards with or without accommodations.

The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications or the CMA with accommodations.

For a complete report on all tests, participation, groups, and their scores by grade level, please visit <http://star.cde.ca.gov/>. To learn more about the STAR Program, please visit the guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

Academic Performance Index Ranks

Schools are ranked in ten categories of equal size, called deciles, from 1 (lowest) to 10 (highest) based on their API Base reports. A school’s “statewide rank” compares its API to the APIs of all other schools statewide of the same type (elementary, middle, or high school). A “similar schools rank” reflects how a school compares to 100 statistically matched similar schools. This table shows the school’s three-year data for statewide API rank and similar schools API rank, for which information is available.

API Ranks – Three Year Comparison			
	2006	2007	2008
Statewide API Rank	⌘	⌘	⌘
Similar Schools API Rank	⌘	⌘	⌘

⌘ Heritage CCCOE Special Education Programs first opened in 2008-09 school year. Therefore, there is no data for the school.

Academic Performance Index Growth

This table displays, by student group, the actual API change in points added or lost for the past three years, and the 2009 API score.

Group	Actual API Change			2009 Growth API Score
	06-07	07-08	08-09	
All Students at the School	⌘	⌘	⌘	752*
African American	⌘	⌘	⌘	■
American Indian or Alaska Native	⌘	⌘	⌘	■
Asian	⌘	⌘	⌘	■
Filipino	⌘	⌘	⌘	■
Hispanic or Latino	⌘	⌘	⌘	■
Pacific Islander	⌘	⌘	⌘	■
White	⌘	⌘	⌘	■
Socioeconomically Disadvantaged	⌘	⌘	⌘	■
English Learners	⌘	⌘	⌘	■
Students with Disabilities	⌘	⌘	⌘	752*

⌘ Heritage CCCOE Special Education Programs first opened in 2008-09 school year. Therefore, there is no data for the school. Actual API change cannot be calculated for all three years since there is no data available for comparison.

* This API is calculated for a small school, defined as having between 11 and 99 valid STAR Program test scores included in the API. The API is asterisked if the school was small either in 2008 or 2009. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

■ Data are reported only for numerically significant groups.

API Testing Note: Assessment data are reported only for numerically significant groups. To be considered ‘numerically significant’ for the API, the group must have either: (1) at least 50 students with valid test scores who make up at least 15% of the total valid scores, or (2) at least 100 students with valid test scores.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. The API is a score on a scale of 200 to 1,000 that reflects a school’s, district’s or a student group’s performance level, based on the results of statewide testing. An API score of 800 is set as the statewide target.

Each annual API reporting cycle includes a Base and a Growth API. The Base API starts the reporting cycle and is released approximately a year after testing (i.e., The 2008 Base is calculated from results of statewide testing in spring 2008 but is released in May 2009). The Growth API is released after the Base API but is calculated from test results from the following year (i.e., The Growth API is calculated from results of statewide testing in spring 2009 and released in August 2009). Therefore, for the 2008-09 API reporting cycle, the 2008 Base indicator and 2009 Growth indicator are used. To learn more about API, please visit the API information guide at www.cde.ca.gov/ta/ac/ap/documents/infoguide08.pdf and the API overview guide at www.cde.ca.gov/ta/ac/ay/documents/overview09.pdf.

Adequate Yearly Progress

The No Child Left Behind (NCLB) Act requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. To meet these standards, California public schools and districts must meet or exceed criteria in four target areas:

1. Participation rate on statewide assessments in English-language arts and mathematics
2. Percentage of students scoring proficient on statewide assessments in English-language arts and mathematics
3. API scores
4. Graduation rate for high schools

The table displays whether or not the school and district made AYP overall and met each of the AYP criteria for 2008-09. For more information, please visit www.cde.ca.gov/ta/ac/ay/.

Adequate Yearly Progress Criteria				
	Heritage CCCOE Special Education Programs		Contra Costa COE	
Met Overall AYP	Yes		No	
AYP Criteria	English-Language Arts	Mathematics	English-Language Arts	Mathematics
Participation Rate	Yes	Yes	Yes	No
Percent Proficient	Yes	Yes	Yes	Yes
API	Yes		Yes	
Graduation Rate	◇		Yes	

◇ Information not available.

Federal Intervention Program

Schools and districts that receive Title I funding can enter Program Improvement (PI) if they fail to meet AYP over two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). With each additional year they don't meet AYP, they advance to the next level of intervention. This table displays the 2009-10 Program Improvement status for the school and district. For more information, please visit www.cde.ca.gov/ta/ac/ay/.

First Year of Program Improvement	◇	◇
Year in Program Improvement	◇	◇
Number of Schools Identified for Program Improvement	2	
Percent of Schools Identified for Program Improvement	25.0%	

◇ Not applicable.

California Physical Fitness Test

Each spring, all students in grades 5, 7, and 9 are required to participate in the California Physical Fitness Test (PFT). The State Board of Education designated the *Fitness-gram*® as the PFT for students in California public schools. The test measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

The primary goal of the *Fitness-gram*® is to assist students in establishing lifetime habits of regular physical activity. For 2008-09, no information is available for Heritage CCCOE Special Education Programs regarding the California PFT. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tq/pf/.

Enrollment and Demographics

Enrollment and Demographics

The total enrollment at the school was 104 students for the 2008-09 school year.

Class Size

No information is available for Heritage CCCOE Special Education Programs regarding the three-year data for average class size.

Graduates and Dropouts

This table displays the graduation and one-year dropout rates for the most recent three-year period for which data is available.

Graduate and Dropout Rates									
	Heritage CCCOE Special Education Programs			Contra Costa COE			California		
	05-06	06-07	07-08	05-06	06-07	07-08	05-06	06-07	07-08
Graduation Rate	⌘	⌘	⌘	88.9%	85.7%	84.1%	83.4%	80.6%	80.2%
1-year Dropout Rate	⌘	⌘	⌘	⌘	8.0%	6.8%	3.5%	4.4%	3.9%

⌘ Heritage CCCOE Special Education Programs first opened in 2008-09 school year. Therefore, there is no data for the school.

⬠ Information not available.

Courses Required for UC/CSU Admission

University of California: Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For more information on general admissions requirements, please visit the University of California Web site at www.universityofcalifornia.edu/admissions/general.html.

California State University: Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are: specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the California State University Web site at www.calstate.edu/admission.

Course Enrollment for UC/CSU Admission

The table displays two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission for the most recent year for which data is available. For more detailed information, please visit <http://dq.cde.ca.gov/dataquest/>.

University of California and California State University Admission

Percentage of Graduates Who Completed All Courses Required for UC/CSU Admission	⬠
⬠ Information not available.	

California High School Exit Exam Results

The California High School Exit Exam (CAHSEE) is primarily used as a graduation requirement in California, but the grade 10 results of this exam are also used to determine AYP for high schools as required by the federal NCLB law. The CAHSEE has an English-language arts section and a math section and, for purposes of calculating AYP, three performance levels were set: Advanced, Proficient, and Not Proficient. Please note the score a student must achieve to be considered Proficient is different than the passing score for the graduation requirement.

Scores are not shown when the number of students tested is 10 or less, either because the number of students tested is too small for statistical accuracy or to protect student privacy. Therefore, no data is available for Heritage CCCOE Special Education Programs. The table displays the percentage of students scoring at Proficient or Advanced levels for the most recent three-year period.

Percentage of Students Scoring At Proficient or Advanced Levels						
	English-Language Arts			Mathematics		
	06-07	07-08	08-09	06-07	07-08	08-09
Heritage CCCOE Special Education Programs	⌘	⌘	❖	⌘	⌘	❖
Contra Costa COE	❖	14.3%	7.7%	❖	2.9%	10.5%
California	48.6%	52.9%	52.0%	49.9%	51.3%	53.3%

- ⌘ Heritage CCCOE Special Education Programs first opened in 2008-09 school year. Therefore, there is no data for the school.
- ❖ Information not available.
- ❖ Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Completion of High School Graduation Requirements

Students (that began the 2008-09 school year in the 12th grade) must meet all state and local graduation requirements to receive a high school diploma, including having passed both the English-language arts and mathematics portions of the CAHSEE or receive a local waiver or state exemption.

At Contra Costa County Office of Education, students do not graduate from these schools because they are on a non-graduation track, life skills curriculum. Students who attend Floyd I. Marchus School, Contra Costa County Court Schools, and Golden Gate Community School return to and graduate from their home district. Students attending Central County Special Education Programs, East County Student Programs, Far East County Programs School, and Heritage CCCOE Special Education Programs receive a "certificate of completion" at the end of their program and not a diploma, usually when they reach 18 years of age. For more information, please visit www.cde.ca.gov/ta/tg/hs.

Career Technical Education Participation

This table displays information about participation in the school's Career Technical Education (CTE) programs.

Career Technical Education Data	
	08-09
Number of Pupils Participating in CTE	0
Percentage of Pupils Who Complete a CTE Program and Earn a High School Diploma	0.0%
Percentage of CTE Courses That Are Sequenced or Articulated Between a School and Institutions of Postsecondary Education	0.0%

"Leadership and support exist to ensure the quality of all students' instructional programs as well as having facilities that are appropriate and maintained in a safe condition."

Career Technical Education Programs

Some Community-Based Instruction (CBI) students participate in ROP programs for the developmentally disabled at Marchus School. Programs include Restaurant Occupations and Hotel Occupations.

Textbooks and Instructional Materials

At Contra Costa County Office of Education, special education programs do not use textbooks. Students all have Individual Education Plans, which drive their instructional programs.

Advanced Placement Courses

No information is available for Heritage CCCOE Special Education Programs regarding advanced placement (AP) courses offered.

Suspensions and Expulsions

This table shows the rate of suspensions and expulsions (the total number of incidents divided by the school's total enrollment) for the most recent three-year period.

Suspension and Expulsion Rates						
	Heritage CCCOE Special Education Programs			Contra Costa COE		
	06-07	07-08	08-09	06-07	07-08	08-09
Suspension Rate	⌘	⌘	2.9%	37.1%	40.4%	23.2%
Expulsion Rate	⌘	⌘	0.0%	0.0%	0.0%	0.0%

⌘ Heritage CCCOE Special Education Programs first opened in 2008-09 school year. Therefore, there is no data for the school.

Professional Development

Certificated staff receive three full days of staff development and classified receive one full day of staff development under the California Department of Education's Instructional Time and Staff Development Reform Program. Content includes instructional methods, classroom management, and training designed to improve academic instruction in the core curriculum.

The CCCOE provides nineteen half-days of staff development related to instructional methods, classroom management and training to address the core curriculum. The content is a direct reflection of the Special Education Program goals, parent survey feedback, State mandated test data and staff needs assessments as related to student performance.

The CCCOE offers support to teachers through the Beginning Teacher Support and Assessment (BTSA) program and the Peer Assistance and Review Program (PAR). Both programs provide mentors to teachers in need. As mentioned previously, the PAR program is a teacher support program that allows for peer support and/or review for teachers that either volunteer or are referred for participation as a result of an unsatisfactory evaluation. The PAR program and the Teacher Incubator Grant ensure that any teacher, whether new or veteran, can receive mentoring in instructional practices, curriculum and classroom management. Also, a website has been developed to help all teachers access quality instructional lessons and links to existing exemplary programs. Methods of professional development include after school workshops, individual conferences, peer coaching, classroom visitation and observation and attendance at professional conferences and meetings.

Staff is provided with multiple professional development opportunities. Trainings include:

- CPR and First Aid
- Emergency Preparedness
- Sensory Integration
- MAA
- Job alike collaboration
- Crisis Prevention Intervention
- Various conferences, workshops and presentations to improve instruction

Teachers are supported through in-class coaching, classroom team meetings, and mentoring.

Types of Services Funded

Heritage CCCOE Special Education Programs is not a Title I School.

Academic Counselors

This table displays information about academic counselors at the school.

Academic Counselors	
Number of Academic Counselors (FTE)	0.0

NCLB Note: High-poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced priced meals program. Low-poverty schools are those with student participation of approximately 25% or less in the free and reduced priced meals program.

⌘ Information not available.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (i.e., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

No Child Left Behind Compliant Teachers

NCLB requires that all teachers of core academic subject areas be "highly qualified." In general, for a teacher to be considered highly qualified, they must have a bachelor's degree, an appropriate California teaching credential, and have demonstrated competence for each core subject he or she teaches. The table displays data regarding NCLB compliant teachers from the 2008-09 school year. For more information on teacher qualifications related to NCLB, please visit www.cde.ca.gov/nclb/sr/tq.

District Financial Data

	Heritage CCCOE Special Education Programs
Total Expenditures Per Pupil	⌘
Expenditures Per Pupil From Restricted Sources	⌘
Expenditures Per Pupil From Unrestricted Sources	⌘
Average Teacher Salary	⌘

⌘ Heritage CCCOE Special Education Programs first opened in the 2008-09 school year and the SARC reports financial data from the 2007-08 school year. Therefore, no financial data is available for the school.

Financial Data Comparison

The following table displays the school's per pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		
	Expenditures Per Pupil From Unrestricted Sources	Average Teacher Salary
Heritage CCCOE Special Education Programs	⌘	⌘
Contra Costa COE	\$374	\$69,254
California	\$5,512	◇
School and District – Percent Difference	*	*
School and California – Percent Difference	*	*

⌘ Heritage CCCOE Special Education Programs first opened in the 2008-09 school year and the SARC reports financial data from the 2007-08 school year. Therefore, no financial data is available for the school.

◇ Information not available.

* A percentage cannot be calculate.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note the district salary data does not include benefits.

Financial Data Note: The financial data displayed in the SARC is from the 2007-08 fiscal year because the most current fiscal information available provided by the state is always two years behind the current school year, and one year behind most other data included in this report. For more detailed financial information, please visit www.cde.ca.gov/ds/fd/cs and www.cde.ca.gov/ds/fd/ec.

SARC: Data provided by the California Department of Education (CDE), school and the district office. For additional information on facts about California schools and districts, please visit DataQuest at <http://data1.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English Learners.

All data accurate as of January 2010.
