What is VPSS:
 VPSS is a state-approved advanced certification process by which secondary teachers in “special settings” have an additional option to become compliant with No Child Left Behind legislation. Completion of VPSS will allow eligible teachers to become “Highly Qualified” without taking high-stress tests or spending long hours on college coursework. It incorporates specific subject matter knowledge with practical application targeted to hard-to-staff settings.

Audience:
 Secondary Special Education Teachers, Secondary Alternative Program Teachers, and Independent Study.

**For an additional fee you may apply for two (2) semester units through California Lutheran University.*
