

STRATEGIC PLAN 2007-2010

■ BELIEF STATEMENT

We believe a quality education is the foundation of a thriving democratic society in an ever-changing world.

■ VISION STATEMENT

All learners are reaching their maximum potential.

■ CORE VALUES

Respect
Integrity
Diversity
Teamwork
Ethical Leadership
Creativity/Innovation
Advocacy for all learners

■ AGENCY FOCUS

1. Provide services and products to support **learning** and **accountability**.
2. Create and maintain **partnerships** and collaborations that strengthen opportunities for learners.
3. Sustain an environment that values **creativity** and supports **innovation**.
4. Attract, support, and retain the best **people** for careers in education.
5. Offer **professional development** that meets student, district, and staff needs.
6. Use **technology** to enhance learning and manage public education.
7. **Communicate** with and **listen** to external and internal customers.
8. **Promote** the successes and **explain** the challenges of public education.
